Sir:

**PETITION UNDER 37 C.F.R. 1.316(c) FOR REVIVAL AND
ACCEPTANCE OF DELAYED PAYMENT OF ISSUE FEE**

This application became unintentionally abandoned on September 7, 2005 for failure to pay the issue fee. The delay in payment of the issue fee was unintentional. The following is an explanation of the unintentional abandonment:

The cause of the unintentional abandonment was an inadvertent placement of an outdated USPTO mailing label on the First Class mailing envelope. Unfortunately, since the "Forwarding Service" time limit set by the U.S. Postal Service had expired, the envelope was returned to the applicant as undeliverable.

Therefore, this petition is filed to revive the abandoned application and is filed:

☒ within one year of the date of the abandonment.

☐ within 3 months of the date of the first decision
on a petition to revive under Rule 316(b), if any, filed within one year of the date of abandonment.

Please charge the issue fee for this application, as well as the surcharge under Rule 17 (m), to Eastman Kodak Company's American Express Credit Card (see attached form PTO-2038). **A duplicate copy of this petition is enclosed.**

Respectfully submitted,
